ICT SERVICES AGREEMENT

This Agreement is made on 2 June 2021 between Eastmere Bank plc, 1 Quayside Row, Bristol BS1 6XE (the Customer), and Brennick Data Services GmbH, Lindqvistweg 8, 20457 Hamburg (the Supplier).

1. DEFINITIONS

1.1 Customer Data means all data, including personal data, that the Supplier receives or creates for the Customer. ICT incident has the meaning given in Regulation (EU) 2022/2554.

2. SERVICES AND SUBCONTRACTING

2.1 The Supplier shall provide the services described in Schedule 1 (the Services), being operation of the Customer's customer-statement print and archive platform. Schedule 1 is a clear and complete description of every function and ICT service provided under this Agreement.

2.2 The Supplier may subcontract part of the Services only with the Customer's prior written consent. Any approved subcontractor is bound by the same obligations as the Supplier, and the Supplier remains fully responsible for the subcontractor's performance.

3. SERVICE LEVELS

3.1 The Supplier shall meet the service levels in Schedule 2, including monthly availability of 99.9%, a four-hour response time for priority 1 tickets and a recovery time objective of eight hours.

3.2 Service levels are reviewed every twelve months. Any update or revision takes effect only when agreed in writing and recorded as a new version of Schedule 2.

4. DATA PROTECTION AND SECURITY

4.1 The Supplier shall ensure the availability, authenticity, integrity and confidentiality of Customer Data, including personal data, in accordance with Applicable Data Protection Law and the security measures in Schedule 3.

4.2 Customer Data is encrypted in transit and at rest. Access is limited to named personnel with a business need.

5. COOPERATION WITH AUTHORITIES

5.1 The Supplier shall cooperate fully with the competent authorities and resolution authorities of the Customer, including persons appointed by them, and shall give them access to information, premises and personnel relating to the Services.

6. FEES AND PAYMENT

6.1 The Customer shall pay the fees in Schedule 4 monthly in arrears within thirty (30) days of a valid invoice.

6.2 Fees are fixed for the Initial Term. Late payments bear interest at two percent above the base rate.

7. TERM AND TERMINATION

7.1 This Agreement runs for an Initial Term of three years and renews for successive one-year periods.

7.2 The Customer may terminate this Agreement on thirty (30) days' written notice if the Supplier materially breaches applicable law or this Agreement, if circumstances arise that alter the performance of the Services, or if a competent authority can no longer effectively supervise the Customer because of this Agreement. The Customer may also terminate for convenience on six (6) months' written notice.

8. EXIT AND RETURN OF DATA

8.1 On termination, expiry, insolvency, resolution or discontinuation of the Supplier's business, the Supplier shall give the Customer access to, recover and return all Customer Data, personal and non-personal, in an easily accessible, machine-readable format within thirty (30) days, and then delete its copies.

9. GOVERNING LAW

9.1 This Agreement is governed by the laws of England and Wales. The courts of London have exclusive jurisdiction.

Signed for and on behalf of the parties:

Adaeze Marlow, Head of Procurement

Henrike Talbrecht, Geschaeftsfuehrerin

SCHEDULES

Schedule 1: Services

Operation of the Customer's customer-statement print and archive platform, including monitoring, backup and restore, capacity management and a service desk open every day of the year.

Schedule 2: Service levels

Monthly availability: 99.9%. Priority 1 response: four hours. Priority 2 response: one business day. Recovery time objective: eight hours. Recovery point objective: fifteen minutes. Measured monthly and reported by the tenth business day of the next month.

Schedule 3: Security measures

Encryption in transit with TLS 1.2 or later and at rest with AES-256. Multi-factor authentication for every administrative account. An annual penetration test by an independent tester, with the summary shared with the Customer.
